Dear Neil,

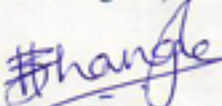

This is to thank PULZ for providing sound reinforcements for Janfest 2010.

I am very happy to say that you kept up to your promise to us to elevate the standard of sound at Janfest 2010. It was great working with a very professional team of PULZ. I am very happy with all the arrangements you made specially for Janfest. Also , getting Shri. Daman Sood for sound mixing is indeed very commendable.

All in all a big thank you from all of us at IMG for providing a very 'soundful' Janfest.

Looking forward to work with you in the future.

With Regards,

Ameya Bhangle
